

## Mini Lesson: Old Testament

### STORY: **Creation**

Based on Genesis 1-2:4

THEME: **God made you too.**

### Creation, 2 of 7

Dear Church Family:

Until we're together in person again for Sunday services, KSMKidz will be providing Kidz Church online for our nursery thru elementary ages. Each lesson will be uploaded to our website [ksmcogop.org](http://ksmcogop.org) with the links shared on Facebook @keithstreetministries and Instagram @ksmkidz. Each week we will also be putting a special package in the mail that is planned specifically for your child(ren). Watch our Facebook or Instagram postings for on-line lessons and do these activities with your child. Share pictures of your family having church together or doing their activities using the #ksmkidz. If we can be of any assistance during this time, please contact us.

Ms. Kathy, Nursery Coordinator  
423-310-8006 (email or text)

#### Your View of the Story

Infants and young children remind us daily that creation lives among us. It wasn't so long ago that these young children arrived in the world. You thought, felt, or said something like "It is good" when first meeting your child. In these stressful times, let us remember those first moments with our child and say once again, "You are good" to your child.

**Bible Words:** "God saw everything that he had made, and indeed, it was very good." Genesis 1:31

**Bible Story:** (Read the story below to your child or from your favorite Bible story book.)

**Creation** – From Genesis 1 and the Frolic First Bible (pages 2-3)

**Day 2: Water covered the earth. God made a wide space. God called the wide space 'sky.' God said, "It is good."**

**"God made the earth, sky and sea. God made the sun, moon, and stars. God filled the earth with plants and animals. Then God made people. "Care for my creation!" God told them. At the end of each day, God said, "It is good." And then God rested."**

**Prayer:** (pray with your child)

**Dear God, thank you for creating the sky and clouds. Thank you for animals, plants, and people. Thank you for creating me too! Amen.**

**Activities to do with your child:**

#### Action Rhyme

**God said, let there be light.** *Place hand over eyes. Remove hands to see the light, as in Peek-a-boo.*

**God made the earth, sky and sea,** *For earth, begin with rounded arms above head. For sky, open arms up with hands open to the sky. For sea, make waves with hands across the horizon.*

**God made you and God made me!** *For you, point out with both hands toward another person. For me, point at yourself, using both thumbs.*

**Song** *Sing to the tune of "Frere Jacques."*

God created, God created,  
Sky and Clouds, Sky and clouds,  
That was on the **second** day, That was on the **second** day,  
It was good, It was good.

#### Sky and Clouds

**Supplies:** blue construction paper, cotton balls, glue stick

**Do:** Fluff cotton balls a little bit by slightly pulling them apart. These will make some nice puffy clouds. Then, use the glue stick to glue them onto the blue paper sky. If your glue stick isn't doing a very good job at securing the cotton balls, you can also use Elmer's glue. When finished, say **"God created the sky and clouds!"**

# Day 2

On the second day, God made the sky and the clouds. Genesis 1:8
