

# Mini Lesson: Old Testament

## STORY: **Creation**

Based on Genesis 1-2:4

THEME: **God made you too.**

### Creation, 5 of 7

Dear Church Family:

**WE MISS YOU!!!!!!!**

Our church will begin public services on **May 17<sup>th</sup>** with proper social distancing and safety measures in place. The safety of our children has always been a high priority for KSM Kidz Ministry. With that in mind, the nursery will **ONLY** be open for nursing mothers and diaper changes. **The nursing mother's room will be closed.**

KSMKidz will be providing Kidz Church online for our nursery thru elementary ages through the month of May and will reevaluate opening the nursery at that time. We will continue to upload lessons with activities to do with your child on the website [ksmcogop.org](http://ksmcogop.org) with the links shared on **Facebook**, **@keithstreetministries** and **Instagram**, **@ksmkidz**.

We will continue to prepare **packages for your child(ren)**. If you attend service, pick up your packet in the lobby. Packets not picked up on Sunday will be mailed out on Monday.

Watch our Facebook or Instagram postings for on-line lessons. Share pictures of your family having church together or doing their activities using the #ksmkidz. If we can be of any assistance during this time, please contact us.

### Your View of the Story

The world is full of wonder! From an ant crawling across the sidewalk, to a bird flying across the sky, to a fish splashing in a pond, we are in awe of the magnificence of God. These moments of wonder are all good to young children as they discover God's creation.

**Bible Words:** "God saw everything that he had made, and indeed, it was very good." Genesis 1:31

**Bible Story:** (Read the story below to your child or from your favorite Bible story book.)

**Creation** – From Genesis 1 and the Frolic First Bible (pages 2-3)

**Day 5: God let the waters be full of great sea creatures and let every winged bird fly above the earth. "God made the earth, sky and sea. God made the sun, moon, and stars. God filled the earth with plants and animals. Then God made people. "Care for my creation!" God told them. At the end of each day, God said, "It is good." And then God rested."**

**Prayer:** (pray with your child)

**Dear God, thank you for creating birds and fish. Thank you for the land and plants. Thank you for animals and people. Thank you for creating me too! Amen.**

**Activities to do with your child:**

**Song** *Sing to the tune of "Frere Jacques."*

God created; God created,

**Birds and Fish; Birds and Fish,**

That was on the **fifth** day; That was on the **fifth** day,

It was good; It was good.
