

## Mini Lesson: Old Testament

### STORY: **Creation**

Based on Genesis 1-2:4

THEME: **God made you too.**

### Creation, 6 of 7

Dear Church Family:

**WE MISS YOU!!!!!!!**

Our church began public services on **May 17<sup>th</sup>** with proper social distancing and safety measures in place. The safety of our children has always been a high priority for KSM Kidz Ministry. With that in mind, the nursery will **ONLY** be open for nursing mothers and diaper changes. **The nursing mother's room will be closed.**

KSMKidz will be providing Kidz Church online for our nursery thru elementary ages through the month of May and will reevaluate opening the nursery at that time. We will continue to upload lessons with activities to do with your child on the website [ksmcogop.org](http://ksmcogop.org) with the links shared on **Facebook**, **@keithstreetministries** and **Instagram**, **@ksmkidz**.

We will continue to prepare **packages for your child(ren)**. If you attend service, pick up your packet in the lobby. Packets not picked up on Sunday will be mailed out on Monday.

Watch our Facebook or Instagram postings for on-line lessons. Share pictures of your family having church together or doing their activities using the #ksmkidz. If we can be of any assistance during this time, please contact us.

### Your View of the Story

God made you and your child. As you look in the mirror or into the eyes of your child, remember God said, "It is good." When life gets stressful, remember God said, "It is good." He is in control and has good plans for you and your child.

**Bible Words:** "God saw everything that he had made, and indeed, it was very good." Genesis 1:31

**Bible Story:** (Read the story below to your child or from your favorite Bible story book.)

**Creation** – From Genesis 1 and the Frolic First Bible (pages 2-3)

**Day 6: God made wild animals, farm animals and all creatures that move along the ground. Then God said, "Let us make man in our image." "God made the earth, sky and sea. God made the sun, moon, and stars. God filled the earth with plants and animals. Then God made people. "Care for my creation!" God told them. At the end of each day, God said, "It is good." And then God rested."**

**Prayer:** (pray with your child)

**Dear God, thank you for creating animals and people. Thank you for the land and plants. Thank you for the sun, moon and stars. Thank you for creating me too! Amen.**

**Activities to do with your child:**

**Song** *Sing to the tune of "Frere Jacques."*

God created; God created,

Animals and People; Animals and People,

That was on the **sixth** day; That was on the **sixth** day,

It was good; It was good.

**Lesson Snacks**

**As you eat the snacks, retell the lesson for today.**

Animal crackers, Keebler E.L. Fudge cookies

**Sensory Bin**

Add animals and people shapes to your child's sensory bin. Look through their toys with them and help them find animals and dolls that they would like to include.

# Day 6
